SCHOLASTIC CHESS COMMITTEE MEETING

On June 27, 1992, a meeting of the Scholastic Chess committee was held in Tuscaloosa. Betsy Graham, the Scholastic Chess Coordinator, presided with the following people present:

Betsy Graham, Tuscaloosa
Jeff Lake, Boaz
Dick Rhea, Boaz
Ken Sloan, Birmingham
Sam Whatley, Montgomery
Catherine Windon, Mobile
Sue Bonne, Huntsville
Travis Dawson, Huntsville
Dale Robbins, Trussville
Walter Schaetzle, Tuscaloosa
Dorthy Schaetzle, Tuscaloosa
Barbara Reeder, Tuscaloosa

The first topic of discussion was: Should Scholastic ACF members be allowed to vote? It was pointed out the Scholastic memberships are $4.00/yr. and Regular memberships are $10.00/yr. with ACF Affiliations costing $15.00/yr. and that each affiliate has a vote on the Executive Committee. Any child can pay $10/yr and get a regular membership. Each club can pay $15/yr and become an affiliate. After discussion, Sam Whatley moved that we request that ACF change the membership classifications to:

Voting, $10/year
Scholastic, $4/year

and that anyone purchasing a voting membership would be allowed to vote. Scholastic members would not be allowed to vote but would have all other membership priviledges. The motion was carried.

Dick Rhea moved that the Scholastic committee, as a body, recommend to the ACF nominating committee that Betsy Graham be nominated for the newly created position of Vice President of Education and Scholastic Chess. The vote was unanimous in favor of the recommendation.

It was decided that Betsy Graham will write each school a letter urging them to become an ACF Affiliate and make them aware of the advantages of doing so. She will also ask each school to define what they would like to be as far as teams are concerned for their school. It was decided that any group of schools can have a team if there is just cause and if it is approved in advance before the scholastic tournament season begins. If a group wishes to play as a team, that group must make a proposal to the scholastic committee explaining why they wish to combine schools as a team. The Scholastic Committee will develop a set of rules upon which decisions will be based.

Regarding State Scholastic Championship Tournaments for Alabama,

it was decided that we would again have an Individual Scholastic Tournament and a Team Scholstic Tournament but that all team tournaments would be held the same day at the same location as one tournament rather than separating the Elementary, Junior High, and High School tournaments as was done in the 1991-92 school year. Walter Schaetzle stated that he would bid for the Individual tournament to be held in Tuscaloosa and Sam Whatley said he would bid for the Team tournament to be held in Montgomery.

It was agreed that we would encourage all regular ACF tournaments to include a Scholastic section and we recommend that the State Open be required to include a Scholastic section. The vote was 5 for, 1 against and 6 abstentions.

There was some discussion about time requirements for tournament announcements. The following tournament schedule was established:

October - Club or city tournaments
November - Holy Spirit, November 7, 1992
December - St. Bernard Prep School, December 5, 1992
January - Saitek in Mobile
February - Boaz
March - State Individual Tournament, State Team Tournament
April - Nationals
May - ?

Bids for the State Individual Tournament and the State Team Tournament are due at the ACF State Tournament on Labor Day.

It was decided that a letter from the Scholastic Committee will be written to Jack Mallory suggesting that the Saitek tournament be rated even if it means an increase in entry fee. It was also suggested that individuals write to Jack expressing their feelings about whether the tournament should be rated.

It was decided that for the State Individual and the State Team Scholastic tournaments, there shall be an advance registration fee; on site registration will be allowed but with a significant late registration penalty and a definite cut off time by which one must be registered in order to be allowed to play in the first round; the first round will be forfeited by anyone not registered by the cut-off time but the second and successive rounds may be played by anyone paying the late registration fee.

It was also decided that for the State Individual and the State Team Scholastic Tournaments, the rule will be: One trophy per child.

It was decided that the Scholastic Committee will meet again at the State Tournament on Labor Day.

In order to develop a comprehensive mailing list to be used for Scholastic Chess, a list will be sent to each member of the Scholastic committee asking for any additions that should be made.

The meeting was adjourned.

Montgomery C. C.

Ray Downs was the clear winner of this first G/15 tourney in Montgomery after managing an upset over Alabama's newest Master, O.L. Daniels (2211) ,and going on to a near perfect finish allowing a singular draw to Robert Pruitt (who will soon blast through the 2100 barrier in our club rated G/5's.)

Everybody seems to like the G/15 chess as a great way to get in a few games without taking up a whole weekend. Higher rated players tell me it is a great way to try out a new line, or just play some really wild lines for the fun of it without risking their regular USCF points.

We hope this first G/15 will be the start of many more here in Montgomery and some of our players would even like to see a G/15 State Championship title (!?). Anybody interested?

Note: Post ratings are estimated by my computer at ¼K and are not official USCF results.

Joe Solomon

NEW MEETING PLACE FOR MOBILE CHESS CLUB

On Friday, June 26 the Mobile Chess Club moved to new quarters in the Festival Center. Our new meeting place is now Room 133, located between Marshall's and the Riviera Fitness Center. All members are encouraged to visit the new site, which is even larger and nicer than the previous room used by the Mobile Chess Club. The Mobile Chess Club meets every Friday night from 7PM until 12:00PM.

SUMMER CHESS ACTIVITIES

A series of informal, unrated chess tournaments is scheduled on Friday nights during July and August by the Mobile Chess Club. See our announcement on page 2 about these handicap tournaments.

MEMBERSHIP DRIVE

Recent new members of the Mobile Chess Club include John Barrow, Ronnie Dezego, Nick Dupree, Kerry Killingsworth, Michael Kittinger, Stephan Kossik, Marcus Moore, Gerald Smith, Jason Todd, Robert Willman, Carl Williams and Charles Yarbrough.

ON THE COVER

1992 ALABAMA STATE HIGH SCHOOL CHESS TEAM CHAMPIONSHIP

Congratulations to the Murphy Chess Team for winning the 1992 Alabama State High School Chess Team Championship held April 11th at St. Paul's Episcopal School in Mobile.

This state championship title is of special importance to the Murphy Panthers since it is their fourth consecutive and undisputed title, thereby, breaking the previous state record held by Murphy's arch-nemesis, the Theodore Bobcats.

The winning Murphy A-Team is composed of Chad "The Noose" Phillips, David "Goliath" Gamotis, Gabe "Guillotine" Givens, and Aurious "Black Stallion" Mance.

A brief history of the Murphy Chess Team can be traced back to 1987 when this author, Kenneth Gaddy, formed the team in high school when finding a sponsor was very difficult. A difficulty in which Lars Britt, former Chess Antics Editor, helped to solve through his chess column.

After many hours of teaching and hard work over the past four years, the team can boast three county titles with a match record of 25-1 and four state titles with a record of 16-1-1.

Other titles or awards are three consecutive Saitek-Kasparov first place finishes, three open team titles, and 10 of the past 16 All-State awards.

Former team members who have contributed to Murphy's success were Kenneth Gaddy, Arthur Holt, David McIntyre, Jermaine McMillian, Selim Akkoc, Allen Robinson, Brian Miller, Thanh Le, and Chan-jo Jun.

MINUTES OF THE ACF MEETING HELD IN BIRMINGHAM MAY 23, 1992

Officers present; Acting President Walter Schaetzle, Treasurer Dick Rhea. Jeff Lake took the minutes.

Minutes from the ACF meeting held during the Queen of Hearts tournament in February were read and accepted.

A report on the ACF finances was given by Treasurer Dick Rhea.

The main discussion during the meeting was on Scholastic Chess.

A motion was entered to change the ACF by-laws regarding memberships. The motion was to change the Junior membership to Scholastic membership.
The motion was 2nded and passed unanimously.

(Because this issue is coming out after a meeting held in Boaz, August 1st, I would like to editorialize on this motion. This motion must be passed at two consecutive ACF meeting in order to effect a change in the By-laws. This motion will be allowed to die in favor of a more precise motion on Scholastic memberships. A flyer was mailed to all ACF members regarding the new motion in July and notification of the meeting August 1st.)

A motion was entered to create an elected post of V.P. of Education and Scholastic Chess.
The motion was seconded and passed unanimously.

(Because the ACF By-laws already deal with a Scholastic cooridinator, This motion will also be allowed to die at the August !st meeting.)

A motion was entered that each Scholastic participant can win only one trophy in their division at a tournament.
The motion was 2nded and passed.

The nominating committee was selected for this years election. The committee is; Jack Mallory, Sam Whatley, Jeff Lake and Richard Ellis. (Richard has since declined the request to be on the committee. Ken Sloan will fill the vacant slot on the committee.) According to the by-laws, Nominations for all offices and directors shall be submitted only by qualified members of ACF. Please send nominations and candidate statements to a member of the Election Commission.

It was suggested that any organizer hosting a Schoolastic tournament in which schools will be invited to please give six (6) weeks notice prior to the tournament. Schools need the time to organize and prepare to attend the tournament.

The meeting was adjourned .
